

MUSC-IRB EDUCATION: CONFLICT OF INTEREST 2026

Rebekah Whichard
IRB Administrator for Education & Training

AAHRPP Element I.6.B

The organization has/follows written policies and procedures which:

Identify

Manage

Minimize

Eliminate

individual financial COI's of researchers/research staff that could influence the conduct of the research or integrity of the HRPP program.

The organization works with the IRB to ensure COI's are:

Managed

Minimized

Eliminated

COI disclosures are received through a variety of avenues:

**Annual COI
Disclosures**

IRB

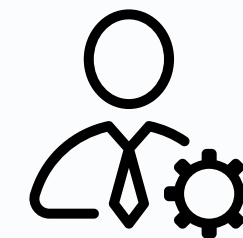

COI Disclosures

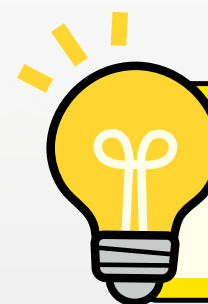

ORSP

**MUSC Officers/
Administrators**

Research Related COI

MUSC COI Policy

1

Forwarded to COI office

Sent via eIRB.

2

COI office

Initiate review, coordinates the necessary documents between the researchers and the Research COI Committee Chair.

3

Review Determination

Administrative Review vs Full Committee Review

4

Decision

COI office communicates decision to IRB. Approval issued in eIRB. Committee Approval plan provided to IRB.

5

IRB

The IRB has the final authority to decide whether the approved management plan for any disclosed COI allows research protocols involving human subjects to be approved.
