

Bachelor of Science in Applied Health Intelligence Administration

Prerequisite Checklist

Please list completed courses or those in progress to satisfy each prerequisite requirement. If you have not taken any courses yet for a particular requirement, please check the box at the end of the section. Only list courses with a grade of "C" or higher. If more than one course qualifies, list the one with the highest grade. Each course may only be used once. Any questions regarding prerequisite coursework should be sent to oesadmis@muscd.edu.
