

Summary of Proposed Changes to MUSC Black River Medical Center Bylaws

- **Ex officio roles updated:** Pee Dee Division CEO, or designee, and Medical Center Chief of the Medical Staff changed to voting members; confirms the Executive Director is non-voting.
- **Organizational terminology updated:** Replaces “Florence Division” with “Pee Dee Division” throughout affected governance provisions.
- **Executive Director oversight streamlined:** Removes the Board’s annual Executive Director evaluation requirement and related standalone evaluation provision.
- **Accreditation language broadened:** Adds DNV and other applicable accrediting bodies in addition to Joint Commission standards.
- **Credentialing nondiscrimination language updated:** Modernizes protected-class language applicable to Medical Staff membership and clinical privileges.
- **No other major substantive changes noted:** Remaining revisions update policy links, formatting, etc.
